## Section 1: Introduction

### 1.1 Scope

This policy outlines the rules, standards and expectations of behaviour for students attending Future Academies Watford. It lists the rewards used to promote good behaviour and the sanctions adopted in the event of any misbehaviour. The Behaviour Policy underpins the ethos and mission of Future Academies and Future Academies Watford, and aims to foster a safe and warm academy environment in which all students can thrive.

This policy was drawn up by Future Academies and Future Academies Watford in consultation with the academy's Local Governing Body, the Principal, the Leadership Team and other members of the trust and academy communities. It has been drawn up with due consideration given to statutory and non-statutory guidance.

The Local Governing Body is responsible for establishing and maintaining this behaviour policy and for ensuring that it is followed. The Local Governing Body delegates authority to the academy's Principal to administer the behaviour policy on its behalf. The academy Principal is responsible for implementing the decisions of the Local Governing Body and for complying with this policy.

The policy applies to all members of the school community, including the Principal, the Leadership Team, all teaching and non-teaching staff, volunteers, students and families.

This policy applies at all times during the academy day, whether students are in the academy building or offsite. It applies when students are travelling to and from the academy, wearing academy uniform (including on trips and visits), representing the academy in their own clothes or otherwise identifiable as a member of the academy. The academy may also discipline students, whether or not the conditions above apply, if their behaviour could have repercussions for the orderly running of the academy, poses a threat to another student or member of the public or could adversely affect the reputation of the academy.

This policy should be read in conjunction with the following documents:

- The Uniform and Equipment Policy
- The Health and Safety Policy
- The Anti-Bullying Policy
- The E-Safety Policy
- The Special Educational Needs and Disabilities (SEND) Policy
- The Staff Code of Conduct

### 1.2 Principles

The academy's ethos is built around a culture of high expectations and no excuses, and this applies clearly to behaviour.

The objectives of the Behaviour Policy are:

- to develop a culture whereby students are able to self-regulate behaviour and learn the reasons why behaving in a particular way is conducive to learning;
- to ensure that Future Academies Watford is a safe and supportive environment for all teachers, students, and anyone else who comes into the academy;
- to ensure that all members of the academy community are shown respect and show respect for others;
- to encourage a positive student approach to behaviour by setting high standards for staff behaviour, and by praising and rewarding good behaviour fairly and consistently;

- to ensure that, when behaviour falls short of acceptable standards, procedures are followed and sanctions are applied fairly and consistently; and
- to ensure that all punitive sanctions are combined with a restorative approach that seeks to maintain and develop positive relationships between students and staff, and to support students in modifying their behaviour.

The expected standards of behaviour are stated in the home-academy agreement, and will be reiterated regularly, both formally and informally, by all members of staff.

## Section 2: Uniform and Equipment

### 2.1 Uniform

The academy is a place of learning and not a place to demonstrate or show off the latest fashion accessories, clothes or footwear. Our uniform policy encourages a sense of pride, belonging and loyalty to the community of which all students are members. The policy also removes any visible manifestations of inequality. The policy is applied consistently and without exception – ‘every day, every child, no excuses’.

Students are expected to adhere to the policy at all times, including on their journey to and from the academy. When a student is not dressed in the full uniform or does not have the expected appearance, they will not be permitted to attend lessons. In such cases, and if parents can be contacted and informed, students will be sent home to change, or alternatively will undertake supervised work within the Internal Exclusion room until the correct uniform is brought to them, or until they are of the expected appearance.

If in any doubt about the details of the uniform and equipment policy, and to save time and anguish, parents should contact the academy. It is better to check with a member of staff than to rely on assurances from students as these are sometimes incorrect.

Uniform will be checked each morning as the students arrive to the academy and at the start of lesson 1.

The following general points about uniform must be observed.

- Blazers must be clean and well-maintained. They must be worn at all times when moving around the academy site as well as en route to and from the academy. Sleeves must not be rolled up and only academy-issued badges may be worn.
- Shirts must be tucked in at all times. Top buttons must always be fastened. Shirts must have no logos and should not be in a fitted design.
- Jumpers are an optional item. However, if a jumper is worn, it must be the academy jumper.
- Ties must be worn with a neat knot covering the top button and with the bottom of the tie touching the waist.
- Skirts must be knee-length and not shortened by being rolled up at the waist.
- Belts should be black and functional. They should have no oversized buckles, clasps, studs or trimmings.
- The only bag that is permitted is the academy rucksack.
- No head wear is to be worn (with the exception of black or navy blue scarves for Muslim girls and a black or navy blue rumal or turban for Sikh boys).
- Shoes must be smart, black and leather-fronted, except for PE.
- Any outdoor jackets must be a plain navy blue or black coat with no logo.
- No jewellery is permitted, with the exception of a watch.

## 2.2 Hair and make-up

The academy has specific rules about hair, which strictly apply to all:

- Individual fashion statements or overly-styled haircuts are not permitted.
- Hair may not be anything other than a natural colour.
- Students may have hair extensions provided that they are a natural colour and neat.
- No lines or markings are allowed in hair or eyebrows and students will be in the internal exclusion room until the marking has grown out.
- Short hair should be no shorter than Grade 2. This includes any grading around the sides of hair and undercuts.
- Long hair must be well-kept and tidy, and allow the face to be seen. It may be tied back if necessary.
- Braids are allowed, but must be kept neat and must be indistinguishable from the hair colour.
- Hair accessories must be plain black, without patterns.

Students in Years 7 – 11 are not permitted to wear make-up, nail varnish/acrylics or nail extensions. Students in the Sixth Form may wear make-up, but this must be natural and subtle. The academy reserves the right to make final judgements on what is and is not appropriate.

## 2.3 Equipment

Every student must have the following equipment with them every day; equipment checks will be carried out at the start of lesson 1 each day.

- Academy branded rucksack
- Subject exercise books for all of their lessons that day
- A student planner (issued by the academy)
- A reading book
- A scientific calculator
- A transparent pencil case containing:
  - a black pen with at least one spare
  - a green pen
  - a pencil
  - a ruler
  - a rubber
  - a pencil sharpener (preferably with its own compartment for shavings)
  - a highlighter
  - tissues
  - a water bottle
- Sports kits (on timetabled days)

## 2.4 Banned items

The academy has the legal power to confiscate any items that are banned. The rules on confiscation are applied without exception. Banned items will be confiscated, regardless of to whom they belong.

High-value objects such as mobile phones and electronic devices will be kept in a secure place until the end of the confiscation period. Mobile phones will be confiscated, parents contacted and collected at the end of the day in the first instance. Any further incidences will result in the mobile phone being confiscated for a fortnight. All other confiscated items will be kept until the end of the half term.

The academy will not accept any liability for any claim arising from theft, accidental loss or damage to personal effects, money, belongings or clothing whilst on the premises, even if lost after being confiscated by the academy.

The following items are banned at the academy:

<ul style="list-style-type: none"> <li>• Mobile phones (students may have a mobile switched off in the bottom of their bag, but it will be confiscated if it is seen or heard at any time)</li> <li>• Headphones</li> <li>• High value items and electronic items (MP3 players, iPads or similar)</li> <li>• All non-uniform items of clothing, including:                             <ul style="list-style-type: none"> <li>- Hoodies and non-academy jumpers</li> <li>- Baseball caps</li> <li>- Jewellery (with the exception of a watch)</li> <li>- Handbags/non-academy bags</li> </ul> </li> <li>• Fizzy drinks and ‘energy’ drinks</li> <li>• Large quantities of confectionary beyond that which a student could reasonably consume on their own in a day</li> <li>• Chewing gum</li> <li>• Glass bottles and containers</li> </ul>	<ul style="list-style-type: none"> <li>• Toys, laser pens and fidget spinners</li> <li>• Birthday accessories (e.g. large badges, sashes or balloons)</li> <li>• Metal afro combs</li> <li>• Aerosols or sprays</li> <li>• Fireworks, bangers, firecrackers, etc.</li> <li>• Drugs, tobacco or alcohol, including any related paraphernalia</li> <li>• Vaping equipment</li> <li>• Pointed objects/blades</li> <li>• Any item that is deemed by the Leadership Team to disrupt learning</li> <li>• Any item deemed to be a weapon</li> <li>• Any other item/substance that is prohibited by law</li> </ul>

## 2.5 Sixth Form Dress code

Sixth Form students are expected to wear formal business dress. Detailed guidance is provided within the Uniform and Equipment Policy.

If in any doubt about the appropriateness of a garment, students should check with a member of the Sixth Form team before purchasing it.

- The restaurant is a place for relaxation and social time; however, behaviour in this area must be calm and respectful, allowing students and staff to enjoy eating in an appropriate atmosphere.
- Students should line up quietly for lunch. There is to be no pushing-in in the lunch queue.
- All food must be eaten in the restaurant or designated areas only.

- All students and staff visiting the serving area must have a tray.
- Students are not permitted to stand around talking in the restaurant; social gatherings can take place outside in The Agora.
- Trays and plates should be returned so that the tables are left clean and tidy for the next person. Any leftover food, wrappers, bottles, etc. are to be placed in bins provided.
- There should be no shouting in the restaurant; students and staff should partake in friendly and constructive conversation using calm, softly-spoken voices.
- All students must have a water bottle or a clear bottle of water; these can be used in some lessons with the permission of the teacher but must remain in bags during lesson time.
- Chewing gum is banned from the academy site.

### 3.6 Conduct at the start and the end of the academy day

### 3.7 Punctuality and truancy

Parents are requested to contact Future Academies Watford via the absence line on the morning of each day of any absence (refer to Future Academies Watford Attendance Policy).

Lateness to the academy and lessons disrupts teaching, hinders learning and is unacceptable. Students should be on the academy site by no later than **8.25am**, and must be in their Lesson 1 classroom ready to learn by 8.30am.

Students arriving after 8.30am will be given an immediate 20-minute late detention which must be sat at the end of the day unless there is a valid reason communicated to the academy by the parent/carer.

Students arriving after 9.00am will sit a one-hour detention on the same day.

If a student is continually late to school, the following escalation process will be implemented:

Late, before 9.00am	20-minute detention on the same day
Late, after 9.00am	One-hour detention on the same day
Late 5 times	Detentions extended to one hour each time Meeting with a member of the pastoral team; parents/carers informed of meeting outcomes
Late 10 times	One day in Internal exclusion Head of year meets with parent/carer Specific targets set for improvement
Late 15 times	One day in internal exclusion Head of year meets with parent/carer Reminder of set targets
Late 20 times	Two days in internal exclusion Vice principal meets with parent/carer to complete an Attendance Agreement
Late 25 times	Two days' external exclusion Principal meets with parent/carer and reviews the Attendance Agreement

The academy will ensure that steps are taken to support students and parents/carers that require additional support with punctuality.

The following situations are classed as truancy at the academy:

- Student found slowly going to lessons or not going directly to their lesson
- Student found in an out-of-bounds area
- Student found in the corridor during lesson time, after the changeover music has finished, without a staff 'Out of Class Pass'

Students found truanting will be given an immediate 1-hour detention which must be sat at the end of the day. The senior team reserve the right to escalate this to a day in internal exclusion.

If a student is continually 'out of class' as described above, the following escalation process will be implemented each term:

Truanting – first time	10 demerits One-hour detention on the same day
Truanting – second time	One-day internal exclusion Head of Year meets with parent/carer Specific targets set for improvement
Truanting – third time	One-day fixed-term external exclusion Head of Year meets with parent/carer Reminder of set targets
Truanting – fourth time	Two days fixed-term external exclusion Vice Principal meets with parent/carer
Continued concerns	Further incidences of truancy will indicate a serious health and safety concern and the student will be at risk of longer fixed-term external exclusions or permanent exclusion

### 3.8 Conduct in the community

Students are the public face of the academy – they should be our best advertisement. The local community will form an opinion of the academy based partly on students' behaviour whilst wearing the academy uniform. Students must therefore display exemplary conduct whenever they are:

- travelling to and from the academy;
- wearing academy uniform (including on trips and visits);
- representing the academy in their own clothes; and
- otherwise identifiable as a member of the academy.

Guidance from the Department for Education (DFE-00023-2014) makes clear that academies have the right to discipline students for misbehaviour outside of academy whenever the above conditions apply. Furthermore, academies may discipline students for misbehaviour at any time, whether or not the conditions above apply, if the behaviour:

- could have repercussions for the orderly running of the academy, or
- poses a threat to another student or member of the public, or
- could adversely affect the reputation of the academy.

The academy's Principal will develop a relationship with the local police to enable sharing of information about students. This will include a daily update from the local link.

Our Community Code of Conduct outlines the following expectations of students outside of school:

- Students should wear the full academy uniform with pride on the way to and from the academy.
- Students should be mindful of the language that they use and the volume of their voices.
- Students should cross the road safely. They should always use the crossing and wait for the green man.
- Students should queue in single file at bus stops and outside shops. They should allow members of the public onto buses first and should give up their seat to the elderly or to those who need it.
- Students should walk in no more than double file. They should be careful not to block the pavements.

- Students should respect the environment and not drop litter.
- Students should ride bicycles safely and sensibly. They should not ride them on public walkways.
- Students should not congregate in public areas before school. This includes in parks, outside shops or on estates. They should proceed directly from home to the academy before the school day.
- Students should not congregate in public areas after school. If they want to meet up with their friends, they should first return home and change out of the academy uniform.
- Students should show the normal respect to teachers when they see them outside of the academy. Say “Good morning” or “Good bye”. They should follow any instructions, first time and without complaint.

Any reports from members of the community will be investigated thoroughly. The academy reserves the right to share photographs with specific members of the community to support positive behaviour in the local area.

Any student who displays poor conduct whilst identifiable as a member of the academy community will be considered to have brought the academy into disrepute. In such instances, the academy will use the full range of disciplinary actions up to and including permanent exclusion.

### 3.9 Conduct with others

It is paramount that respect and consideration are shown for all other students and adults including teachers, caretakers, the office staff, the kitchen staff, technicians and visitors.

There is no excuse for personal, insulting and hurtful comments directed at anyone or members of their family. This includes cussing and swearing.

There must be no form of intimidation towards others. This includes bullying, extortion of money, etc.

There will be no excuse for rudeness, disrespect or insolence towards any member of staff. This includes in a student or member of staff’s gestures, body language etc.

Any request from any adult must be carried out at once and without argument.

There is to be no physical contact between any students. Staff must not ignore any incidences of physical contact between students.

Items must not be thrown between students. There is never a reason to throw anything whilst at the academy, unless in sport.

### 3.10 Conduct online

The academy’s IT facilities and associated internet access must be used responsibly.

Students may only use the academy’s IT facilities for academic work, revision or research. The facilities must not be used for any other reason such as social networking, chat rooms or cyber-bullying.

Students must not attempt to contact academy staff via social media.

Students must not use social media in or out of school in a way that brings themselves or the academy into disrepute.

Any student that does not comply with the academy’s IT acceptable use agreement will have their IT access removed and face disciplinary sanctions.

### 3.11 Conduct when cycling to school

Bicycles are brought to the academy at the owner's risk and the academy accepts no responsibility for loss or damage.

Students and parents/carers must sign Academy Cycle to School Contract (copies are available from the Academy web site or from the Main Office) and return it to the Principal's PA before the bicycle is used to cycle to and from the academy. Failure to do so will result in the student not being permitted to store their bicycle at the Academy.

Students wishing to store their bikes in the bike storage area will need to obtain a bike passport which is supplied by the academy at no cost to the students, however, if lost replacements will need to be purchased before the facilities can be used.

Bicycles must be roadworthy; brakes, tyres etc. must be regularly checked. This is the responsibility of the Parent/Carer. In the evening and on dark mornings, students must have a full set of working lights and reflectors.

It is unacceptable for any student to cycle to school without a bike helmet. If students arrive at the academy without a helmet their bike will be locked until a parent picks it up. This procedure is in the interest of their children and their safety. Only students with an academy bike passport and helmet are eligible to use the Academy bike storage facilities.

Students must not cycle on the academy grounds.

### 3.12 Health and safety

The health and safety of all staff and students in the academy is of paramount consideration. Health and safety is not just the responsibility of the staff. Everyone, including students, must play their part.

This means that students are expected to ensure that they:

- exercise personal responsibility for their own safety and the safety of others;
- follow the Academy rules in a way that ensures consistency with safety;
- observe all safety regulations and any safety instructions given by staff;
- use (or not willingly misuse, damage or interfere with) things provided for safety (e.g. water hoses, fire extinguishers and fire alarms).
- report any potential hazard they see to a member of staff immediately (e.g. a broken window, liquid spilled on stairs, loose flooring, damaged fencing or defects in electrical fittings).
- do not bring an aerosols onto the academy site.

No student is permitted to leave the academy premises during the day without the written permission of his/her parents/carers and the authorised teaching staff.

Any student who endangers any other member of the academy community by having any weapon (or any object which could be used as a weapon) will be subject to formal disciplinary sanctions including permanent exclusion.

Laser pointers or similar items which can cause loss of vision, are banned from the academy premises.

Any student who is found trading in drugs, is in possession of drugs, or is in the company of other students who are in possession of any illegal substance at any time during course of the normal academy day will be subject to formal disciplinary sanctions including permanent exclusion.

## Section 4: Bullying

### 4.1 Bullying

The academy places high importance on creating and maintaining a happy, safe learning environment for all students. Students are reminded regularly that the academy has a culture of communication and disclosure.

There exists a separate Anti-Bullying Policy which can be accessed for further information.

### 4.2 Harassment

Implicit in our ethos as an academy is the belief that all are all equal, regardless of race, colour, culture, gender, sexual orientation or religion. This ethos therefore fosters a spirit of respect for each other and for all. As an educational establishment, we recognise that learning and growth can only take place when students and staff have the self-confidence, well-being and security that comes from being fully valued and respected and from experiencing equality of opportunity.

Harassment has no place in our community and will not be tolerated. Harassment may be defined as any hostile or offensive act or expression by a person against another person which interferes with the peace and security of that person, making them fear for their safety or impacting upon their quality of life. Harassment may present itself in the following ways:

- physical assault because of race, colour, culture, gender, sexual orientation or religion
- derogatory name-calling, insults and jokes
- offensive graffiti
- provocative behaviour such as the wearing of racist badges or insignia
- bringing offensive materials such as leaflets, comics, magazines into the academy
- verbal abuse and threats
- incitement of others to behave in an offensive way
- attempts to recruit other students to certain organisations and groups
- ridicule of an individual for cultural differences, e.g. food, music, dress, etc
- refusal to co-operate with other students because of race, colour, culture, gender, sexual orientation or religion

The above behaviour, in any form and on any grounds, is totally unacceptable and will be dealt with in accordance with procedures outlined in the academy's Anti-Bullying Policy. Any offensive remarks, whether intentional or otherwise, will always be challenged by staff. All incidents will be recorded on the SIMS Behaviour Log and referred to the Head of Year who will then take further appropriate action.

## Section 5: Rewards and sanctions

### 5.1 Conduct Points

The conduct points system forms the cornerstone of the academy's Behaviour Policy. It provides a simple and transparent way for students, parents and teachers to evaluate how well students are conducting themselves. Students earn positive points for demonstrating outstanding learning, achievement and character. Students earn negative points for displaying behaviour that detracts from learning or that runs counter to the academy's culture. A student's conduct points balance is the difference between their positive points and negative points. In other words,

$$\text{Conduct Points (Net Points)} = \text{Positive Points} - \text{Negative Points}$$

As students accrue more conduct points, they pass through various Reward Stages and have their achievements recognised through letters home, certificates, invitations to the Principal’s Breakfast and trips. If a student accrues negative points, they will move through the Behaviour Stage system. This will trigger increasing levels of sanction, but it will also enable support to be put in place in order to try and stop the negative behaviour.

## 5.2 Rewards for good conduct

The academy recognises that praise and reward are powerful motivational tools. As such, all staff actively seek opportunities to praise and reward students for meeting the high expectations that we have of them. We reward students for displaying the following behaviours across our academy and within our community:

Positive action	Positive Points
Excellent LEARNing: <b>L</b> anguage and eloquence <b>E</b> xplain your points <b>A</b> sk and answer questions <b>R</b> ead with confidence <b>N</b> eat presentation	1 point each time (Maximum of 3 points per student per lesson)
Excellent effort	1 point
Excellent class work	1 point
Excellent homework	1 point
“Star of the Lesson”	2 points
“Star of the Week”	5 points
Community recognition (can be awarded at any time by any member of staff)	5 points
Department certificates of achievement (displayed each term in curriculum areas)	10 points
Head of Year culture awards (displayed each term on the year VLE page)	10 points

As students accumulate conduct points, they will progress through various Reward Stages. Upon entering a new Reward Stage, students will receive the following rewards:

Reward Stage	Conduct Points	Reward
Reward Stage 1	50 points	<ul style="list-style-type: none"> <li>Postcard home from the Tutor</li> </ul>
Reward Stage 2	100 points	<ul style="list-style-type: none"> <li>Letter home from the Head of Year</li> </ul>
Reward Stage 3	200 points	<ul style="list-style-type: none"> <li>Bronze certificate in Achievement Assembly</li> <li>Bronze lapel badge awarded.</li> </ul>

All points contribute to the whole school points total for students' respective houses.

### 5.3 Sanctions for poor conduct

Academy staff act consistently (i.e. in accordance with policy), fairly and deliberately in their use of sanctions. Any staff member who is not sure how to proceed with a behaviour or disciplinary issue must seek support from their line manager. If their line manager cannot be found, advice must be sought from any member of the Leadership Team.

Any poor conduct, whether in class or around the academy, incurs negative points. Negative points are awarded as follows:

Poor conduct	Negative Pts	Sanction/Detention	Detention taken by:	When	Notice given to parents
Lack of equipment	-1	20-min detention issued by classroom teacher	Lesson 6 teacher	Same day	No
Lack of exercise book	-1	20-min detention issued by classroom teacher	Lesson 6 teacher	Same day	No
Incorrect uniform/Uniform breaches	-1	20-min detention issued by a member of staff	Lesson 6 teacher	Same day	No
Late to the academy	-1	20-min detention issued by Student Services	Lesson 6 teacher	Same day	No
Lack of sports kit or ingredients	-1	20-min detention issued by classroom teacher	Lesson 6 teacher	Same day	No
Lack of homework	-1	20-min detention issued by classroom teacher	Lesson 6 teacher	Same day	No

Arriving after 9.00am without an acceptable reason	-10	One-hour detention	Attendance Manager/Team	Same day	Yes – contact made during the day via text
Repeatedly late to the academy	-10	One-hour detention	Attendance Manager/Team	Same day	Yes – contact made with parents via concern call and text
Rudeness, backchat, defiance, swearing	-10	One-hour detention issued by any member of staff via Leadership Team	Central system run by the Leadership Team	Same day	Yes – contact made during the day via text
Intentional lateness to lesson/out of class	-10	One-hour detention	Central system run by the Leadership Team	Same day	Yes – contact made during the day via text
Removal from lesson after a second final warning (Curriculum call out)	-10	One-hour detention when an RJ meeting will take place between the student and the teacher	Central system run by the Leadership Team	Same day	Yes – contact made during the day via text
Detention following internal exclusion	-10	One-hour detention	Central system run by the Leadership Team	Same day	Yes – contact made via concern call and text
Serious breach*	-20	Two-hour detention	Central system run by the Leadership Team	Same day	Yes – contact made via concern call and text

\* Following some serious breaches of the behaviour code, a student may be required to spend an additional hour following a one-hour detention to receive behaviour intervention. This will be decided by the Senior Team and parents/carers will be informed. The academy will insist that a parent or carer picks up their child from a two-hour detention and meets with a Senior Team member.

If a child receives multiple negative points in any one day, Heads of Year will escalate the sanction accordingly and will ensure supportive intervention is swift and effective to prevent further non-compliance with the behaviour expectations.

If a child fails to stay for a 20-minute detention at the end of the day, the teacher is responsible for reporting this incident to a member of the Leadership Team immediately. Action will be taken to address this serious incident.

Negative points are deducted from a student’s conduct point total. If a student accumulates a conduct points deficit, they will progress through various Behaviour Stages. Upon entering a new Behaviour Stage, students will receive the following support:

Behaviour Stage	Points	Action taken	By whom	Additional support (as appropriate)
1	-5	Form tutors will call home and discuss concerns	Tutor	<ul style="list-style-type: none"> <li>Form tutor report focused on aspects of concern</li> <li>Form tutor will discuss report when calling home</li> </ul>
2	-25	Head of Year to call home and discuss concerns	Head of Year	<ul style="list-style-type: none"> <li>Head of year (amber) report on aspects of concern</li> </ul>
3	-50	Head of year to call home and discuss concerns and arrange meeting.	Head of Year	<ul style="list-style-type: none"> <li>Support and clear expectations via a contract put in place</li> </ul>
4	-100	Final warning meeting between parent and a member of the senior team and/or a Governor’s Behaviour Panel.	Leadership Team	<ul style="list-style-type: none"> <li>Parental meeting with a member of the Leadership Team</li> <li>Governors’ Behaviour Panel</li> <li>Educational Psychologist assessment, if appropriate</li> <li>Managed Move considered</li> </ul>
5	-150	Principal meeting.		<ul style="list-style-type: none"> <li>Meeting with the Principal</li> <li>Permanent exclusion considered</li> </ul>

The Pastoral Team keep a record of all of the interventions that are put in place as students enter Behaviour Stages. These ‘Behaviour Stage Checklists’ ensure that students receive all of the appropriate support and that this can be evidenced.

The academy reserves the right to ‘carry over’ behaviour points at the end of the academic year. This may be done for all students, for students on particular behaviour boundaries or for selected students. In relation to this, the Principal’s decision is final.

## 5.4 Classroom behaviour management

To ensure that behaviour in classrooms is conducive to learning and that all incidents of poor behaviour are dealt with in a calm, respectful and effective way, all staff will use the following classroom behaviour management system.

It is key that all students, parents, carers and staff understand that behaviour from any child that prevents teachers from teaching or other students from being able to learn in their lessons will not be tolerated. The academy will not delay in putting in place sanctions that remove students who do not meet expectations from lessons therefore preventing them from having a negative impact on the learning culture, and on student attainment and achievement.

In instances of low level disruption, students should be given a clear reminder to correct their behaviour using non-verbal cues and calm verbal reminders.

#### **First warning – Yellow sticker**

Students who do not meet the academy behaviour expectations are given a clear verbal reminder to correct their behaviour.

This first stage – a first yellow warning – is a warning to the student(s) and must be explicit. The warning is to be given in a clear and respectful way. A small yellow sticker is placed on the student's work as a visual reminder. Students must not remove this sticker from their books. The student must stop misbehaving at this stage.

#### **Second, final warning – Red sticker**

If the disruptive behaviour continues, a second, final warning needs to be clearly communicated as such; a student has broken two rules or the same rule twice. A small red sticker is placed in the student's book as a visual reminder to cease the poor behaviour. It will be clear to the student that they are on their final warning. Students must not remove this sticker from their books.

A -1 conduct point will be recorded in SIMS and the student will have a 20-minute detention at the end of the day.

#### **Curriculum Support call-out system**

If the student's behaviour has not changed then they need to be removed from class and supervised by the behaviour team or Senior Team until the teacher can deal with the issue after school through the detention and restorative justice system.

The teacher presses the button for Curriculum Support on SIMS. The member of staff on Curriculum Support duty will attend, reviewing the details provided on the purple form provided by the teacher, and will escort the student to the designated classroom where they will reflect on their behaviour, complete classwork and prepare for the restorative justice (RJ) meeting that will take place after school.

The student will stay in this area for the remainder of the day.

A text is sent and a phone call is made home by the Behaviour Support Team to inform the parent that their child has a detention for one hour at the end of the day. The Behaviour Support Team will log the detention on the SIMS system along with the details provided on the purple form.

The on-call system can also be used for the following:

- Violence or threat of violence
- Dangerous behaviour
- Failure to hand over a contraband item
- Disruption to test conditions

Staff who have used the Curriculum Support call-out system must attend the RJ conversation with the student at the end of the day. This RJ conversation takes priority over any other activities or

meetings.

The following table illustrates how the sanction system will escalate if a child continues to cause disruption to other students' learning:

<b>Incident</b>	<b>Action</b>	<b>Detention</b>	<b>Exclusion</b>
First incident	Remain in designated area for the rest of the day	One-hour detention on the same day	
Second incident in the same term	Remain in designated area for the rest of the day	One-hour detention on the same day Parent/carer meeting to take place with Head of Year	
Third incident in the same term	Remain in designated area for the rest of the day	One-hour detention on the same day Parent/carer meeting to take place with Head of Year and Vice Principal	One-day internal exclusion the following day
Fourth incident in the same term	Remain in designated area for the rest of the day	One-hour detention on the same day Parent/carer meeting to take place with Vice Principal and the Principal	One-day external exclusion the following day
Continued concerns	Further incidences of disruption to the learning of others will indicate serious student concerns and therefore the student will be at risk of longer fixed-term external exclusions or permanent exclusion		

## 5.5 Detention

It is recognised that, at some point, some students will – either intentionally or unintentionally – fall short of the academy's expectations. In such circumstances, students are expected to take responsibility for their actions and make amends, both through their words, and more importantly, through their actions. Sometimes this requires students to sit a detention.

### i. **Academy detention for - 1 point (20-minute detention)**

- Detentions will be sat the same day, whenever possible.
- Students will be informed of the detention when it is given.
- At the end of Lesson 6, teachers taking this lesson will remind the students of their detention. The students are expected to wait in their seat, in silence, until the teacher dismisses them.
- Multiple misdemeanours will be addressed by the Head of Year and students will be required to attend a longer detention the following day.

### ii. **Leadership Team detention (1 or 2 hr detention)**

- Heads of Year or members of leadership may refer a student for a Leadership Team Detention by logging this on SIMS. All referrals for these detentions will be reviewed by a member of the Leadership Team.

- Leadership Team Detentions will generally be set for serious breaches of the academy's behaviour policy, including failing to attend an Academy Detention.
- A member of staff will collect students for a Leadership Team Detention towards the end of their final lesson.
- As a courtesy, a text message will be sent to parents before the end of the academy day. The pastoral team will also attempt to contact parents by telephone. However, being unable to establish contact will not excuse the student from the detention.
- Any teacher that has used the call-out system will go to the detention area at the end of the day to have a restorative discussion with the student concerned.
- Detentions may only be rescheduled or annulled by a member of the Senior Leadership Team.

## 5.6 Internal Exclusion

On rare occasions, a student's behaviour may fall so far short of the academy's expectations that the student must be removed from class and taken to the Internal Exclusion Room. The Internal Exclusion Room provides a calm and orderly environment in which students can:

- reflect upon their conduct;
- consider how to make amends; and
- continue with their learning until they are allowed to return to class.

Whilst in the Internal Exclusion Room, students are guided through a structured reflection about questions such as:

- "What happened?"
- "How were you feeling at the time?"
- "What are you feeling now?"
- "Who has been affected by what happened? "How have they been affected?"
- "What do you think needs to happen to make things right?"

Any student that is placed in Internal Exclusion will remain there for the remainder of the academy day and then sit a Leadership Team Detention.

Students may be referred to the Internal Exclusion Room for varying lengths of time:

- Until the end of the same day
- For a fixed period of time (up to five days): This will happen following a serious breach of the Behaviour Policy or as an alternative to a fixed-term Exclusion.

Parents will always be informed if their child is placed in Internal Exclusion. A log of referrals to the room is stored centrally. When a student is referred to the room for an Internal Exclusion of more than two days, parents are notified in writing.

Students in the Internal Exclusion Room are provided with scheduled toilet breaks and lunchtime, separate to the main student body. Students may also request to use the toilet at other times.

Students scheduled to be in internal exclusion for a day or more will be required to bring in a packed lunch; a healthy packed lunch will be provided by the Academy for free school meals students.

## 5.7 Physical altercations

Students at Future Academies Watford are able to settle disputes and arguments through non-physical means. Violence of any kind will not be tolerated. If students need support, there is always a member of staff that they can go to, rather than resorting to a physical altercation.

The following descriptors will be used to determine sanctions whenever a physical altercation has taken place. Precise sanctions will be determined by the Principal.

Altercation	Description	Sanction
Play fighting	Striking, grabbing, grappling, slapping or similar action that is in a playful manner but may cause an incident if it were to continue	<ul style="list-style-type: none"> <li>• A Leadership Team Detention will be served.</li> </ul>
Grappling and grabbing	An aggressive situation in which no punching, kicking or striking is taking place. May result in students grabbing each other's clothes, bags	<ul style="list-style-type: none"> <li>• Depending on the students' response, the students will serve an Internal Exclusion ranging from 1 to 3 days.</li> </ul>
Fight	Two or more students who are kicking, punching and/or striking	<ul style="list-style-type: none"> <li>• Up to 5 days in Internal Exclusion will be served.</li> <li>• A fixed-term or permanent exclusion will be considered.</li> <li>• Criminal prosecution may be considered.</li> </ul>
Attack	An action in which an instigator punches, kicks or strikes another student. The other student does not retaliate but may offer some form of reasonable self-defence (i.e. holding or blocking)	<ul style="list-style-type: none"> <li>• Up to 5 days in Internal Exclusion will be served.</li> <li>• A fixed-term exclusion is likely.</li> <li>• Permanent exclusion may be considered.</li> <li>• Criminal prosecution may be considered.</li> </ul>

The academy will consider all elements of the incident before making a decision, including:

- Whether the student was an instigator, participant, respondent or victim.
- If the student was the respondent, whether their response was reasonable and in direct relation to the threat from the instigator.
- How the student responded to the staff who intervened (for example, whether they followed instructions the first time).

## 5.8 Damage to academy property

Any deliberate or reckless damage to Future Academies Watford property will be sanctioned. Incidents observed by staff must be reported to a senior member of staff who will assess if the act was accidental or deliberate. Any incidents must be fully investigated and a report produced.

Any student caught vandalising/damaging property within the academy will be billed for subsequent cost of repair or replacement and be dealt with; and may face a fixed-term exclusion. The Police may be involved if deemed necessary.

## Section 6: Conduct in the Sixth Form

### 6.1 Overview

The Academy expects that the conduct of Sixth Form students will reflect their age and maturity and, above all, the fact that enrolment in the Sixth Form is voluntary. Sixth Form students are expected to be courteous and studious, to serve as role models to younger students and to actively contribute to academy life.

The Sixth Form Behaviour Policy is fully integrated with the Conduct Points system that it used lower down the school. Sixth Form students with positive Conduct Point scores will be praised and rewarded in accordance with the academy’s Reward Levels. Sixth Form students with negative Conduct Point scores, will be sanctioned and supported, in accordance with the academy’s Behaviour Boundaries. All Conduct Points earned by Sixth Form students contribute to the whole-school points totals for their respective houses.

## 6.2 Commendations and Penalty Points

In recognition of the increased expectations that are placed on Sixth Form students, in addition to the regular earning of positive and negative points, students may also receive Commendations and Penalty Points. These have significant values of positive and negative Conduct Points attached to them (+10 points and -10 points respectively).

Commendations and Penalty Points are issued as follows:

	Commendations	Penalty Points
<b>Examples of conduct</b>	<ul style="list-style-type: none"> <li>• Excellent academic performance (e.g. high attainment or excellent progress in a key assessment)</li> <li>• Ongoing and outstanding commitment to learning</li> <li>• Ongoing contribution to academy life (e.g. running an extra-curricular club, student leadership)</li> <li>• One-off notable act or good character (e.g. a significant act of kindness, maturity or diligence)</li> <li>• Any other reason deemed appropriate by the Head of Year</li> </ul>	<ul style="list-style-type: none"> <li>• Truancy</li> <li>• Failure to attend independent study sessions</li> <li>• Repeated lateness to school</li> <li>• Repeated lateness to lessons</li> <li>• Repeated infringements of the dress code</li> <li>• Repeated failure to meet deadlines</li> <li>• Ongoing lack of effort</li> <li>• Rudeness to staff</li> <li>• Inappropriate use of the internet</li> <li>• Breach of the Sixth Form mobile phone policy</li> </ul>
<b>Reward/sanction</b>	<ul style="list-style-type: none"> <li>• Certificate of Commendation presented to student in Sixth Form Assembly</li> <li>• Copy of certificate placed on student’s file</li> <li>• 10 Conduct Points awarded</li> </ul>	<ul style="list-style-type: none"> <li>• Penalty Point letter issued to student by the Head of Year</li> <li>• Copy of letter placed on student’s file and posted home</li> <li>• -10 Conduct Points awarded</li> </ul>

Any member of staff may nominate a Sixth Form student for a Commendation or Penalty Point, by contacting the Sixth Form Head of Year. The Head of Year is responsible for the issuing of all Commendations and Penalty Points, and retains discretion in relation to this.

## 6.3 Addressing behavioural concerns

Sixth Form students with negative Conduct Point scores will be sanctioned and supported, in accordance with the academy’s Behaviour Boundaries.

In recognition of Sixth Form students’ responsibility for their own conduct, and to simulate the world of work, students will be issued with a number of formal warnings as they progress through the Behaviour Stages. Each warning will be issued by a member of the Leadership Team. A copy of the warning letter will be given to the student, placed on the student’s file and posted home to parents. Letters are issued at the following Behaviour Stages:

<b>Behaviour Stage</b>	<b>Letter</b>	<b>Issued by</b>
Behaviour Stage A	Verbal warning	Head of Year
Behaviour Stage B	First written warning	Leadership Team
Behaviour Stage C	Final written warning	Principal

Any Sixth Form student that reaches Behaviour Stage C places themselves at risk of Permanent Exclusion. In cases of extreme misconduct, the Principal reserves the right to move straight to a final written warning or permanent exclusion.

## 6.4 Year 12 induction period

All new Sixth Form students complete an induction period. This helps the academy to ensure that students have been placed on appropriate courses and supports students in adjusting to the higher academic and professional expectations that are associated with Sixth Form study. Throughout the induction period, attendance, punctuality, conduct, attitude to learning and completion of work are closely monitored. The induction period is for the first half term of Year 12.

If a student falls short of the academy's expectations during the induction period, the induction period may be extended. In the event of an induction period being extended, the student and parent will attend a meeting with the Head of Year. At this meeting, clear targets for improvement will be agreed and it will be explained that the student's place at the academy may be terminated if they fail to meet the agreed targets.

During the extended induction period, the student and his/her parents will be given regular updates about progress towards meeting the previously agreed targets. If the student is deemed to be at risk of not meeting the agreed targets, the Head of Year will call an interim review meeting to consider whether the student requires any additional support.

At the end of the extended induction period, the student will either be deemed to have successfully passed their induction, or their place in the Sixth Form will be withdrawn.

## Section 7: Supporting our students

At Future Academies Watford, we value all students and recognise that they may sometimes need tailored support to help them fulfil their academic and personal potential. We have a strong pastoral system and, should a student require help at any time, they will be able to access a member of the pastoral team.

We hold fortnightly student support meetings; attended by a member of the Leadership Team, the SENCO, Heads of Year, Pastoral Leaders and other relevant support staff. At these meetings, key academic and pastoral data is discussed and tailored support is agreed for individual students as required. Students also receive formalised support if they reach a Behaviour Stage or receive a fixed term exclusion.

The academy makes use of a range of specialist support staff, including a Medical Officer, an academy counsellor, a Welfare Manager and a Mental Health Lead.

The academy recognises the importance of working closely with our feeder primary schools to support Year 7 students during this crucial stage of their education. A full transition programme is in place.

The following groups of vulnerable students may at some point require adults at the academy to take account of their individual needs and circumstances when monitoring the academy's behaviour policy. However, the academy does not accept these as excuses for poor behaviour.

- minority ethnic and faith groups, travellers, asylum-seekers and refugees
- students who need support to learn English as an additional language
- students with special educational needs and disabilities (SEND)
- students looked after by the local authority (LA)
- unwell students
- young carers
- students from families under stress
- pregnant students and teenage mothers

## Section 8: Exclusions

The academy complies fully with the Department of Education (DfE)'s statutory guidance on exclusions, as issued in September 2017 (see DFE-00184-2017). The points below should be read in conjunction with that guidance.

### 8.1 The decision to exclude

The Principal will have regard to Section 4 of the current DfE guidance relating to 'the head teacher's power to exclude'.

Only the Principal, or in their absence the Vice Principal, will have discretionary power to exclude any student for a fixed period. Only the Principal shall have the discretionary power to permanently exclude any student.

Before making the decision to exclude, the academy will ensure that a thorough investigation has been carried out, including, where possible, allowing the student to give their version of the events, seeking any witness accounts and considering any mitigating factors.

When establishing the facts in relation to an exclusion decision, the Principal will apply the civil standard of proof; i.e. 'on the balance of probabilities', rather than the criminal standard of 'beyond reasonable doubt.' This means that the Principal should accept that something happened if it is more likely that it happened than that it did not happen.

The Principal must be satisfied that their decision to exclude a student is lawful, reasonable and fair. Schools have a statutory duty not to discriminate against students on the basis of protected characteristics, such as disability or race. The academy gives particular consideration to the fair treatment of students from groups who are vulnerable to exclusion.

The academy will never 'informally' or 'unofficially' exclude a student (e.g. by sending him/her home to 'cool off'). This would be unlawful, regardless of whether it occurred with the agreement of parents or carers. All exclusions, even for short periods of time, will be formally recorded.

Any student may be excluded for a fixed term for the reasons outlined in this Behaviour Policy.

Any student may be permanently excluded if,

1. (a) They have committed a serious breach of the academy's Behaviour Policy, or  
(b) They have persistently breached the academy's Behaviour Policy; and
2. allowing the student to remain in school would seriously harm the education or welfare of the student or others in the school

An indicative but non-exhaustive list of serious breaches of the academy's Behaviour Policy which may lead directly to permanent exclusion includes:

- Being in possession of an offensive weapon
- Being in possession of or supplying drugs

- Serious and ongoing bullying
- Serious assault on a student
- Assaulting a member of staff
- Damage of academy property
- Sexual or indecent assault
- Making a false allegation against a member of staff
- Bringing the academy into disrepute
- A single act of outrageous behaviour that runs contrary to the academy's ethos

## 8.2 Informing parties of an exclusion

The Principal will have regard to Section 4 of the current DfE guidance relating to 'the head teacher's duty to inform parties of an exclusion'.

No student will be sent off site before the end of the day unless contact has been established with parents/carers. In the event of contact not being made, the student must remain on site, withdrawn from class until the end of the normal academy day. At the point of exclusion, a letter will be sent home both by hand and by first-class post, stating the reason for the exclusion. Wherever possible, telephone contact will be made with parent(s) of the student informing them of the exclusion.

All exclusions will be recorded in the Academy Exclusion Record by the Principal's PA and on the student's file.

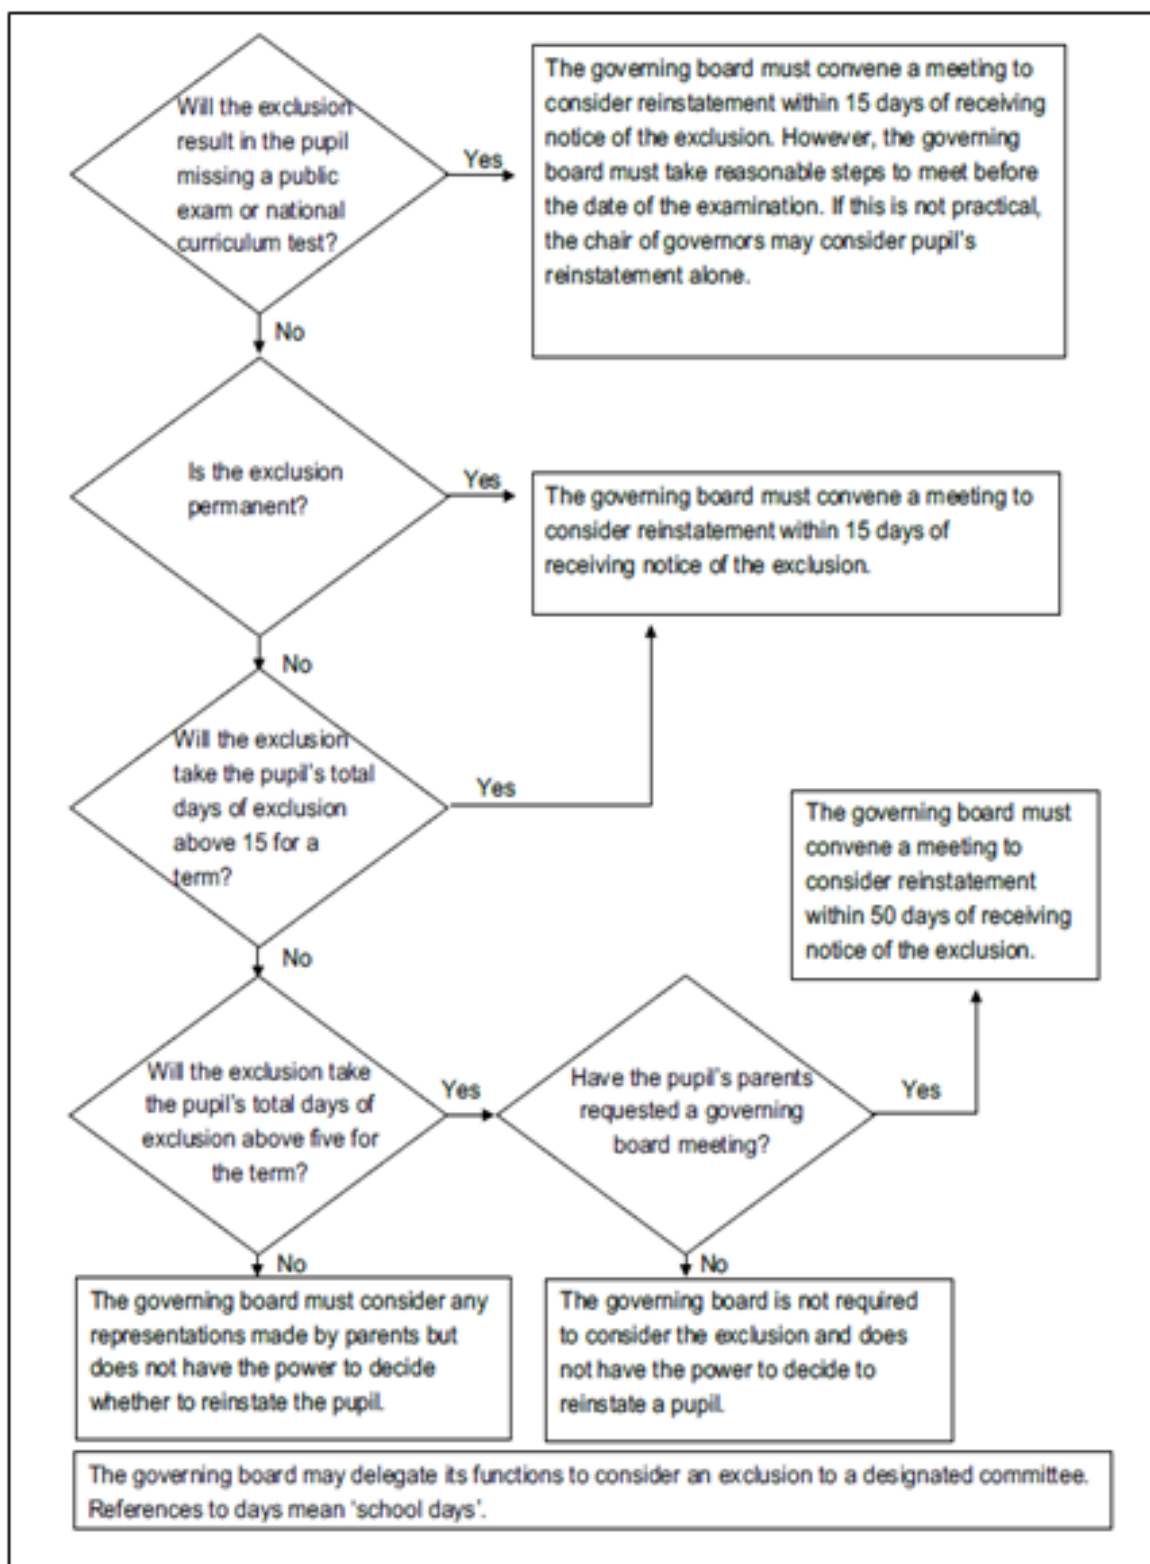

The Trust CEO will be kept informed of fixed term exclusions and will be consulted prior to any permanent exclusion.

The Chair of Governors and the Local Education Authority will be kept informed of exclusions in line with the statutory guidance.

## 8.3 The governing body's duty to consider an exclusion

The Principal and the governing board will have regard to Section 6 of the current DfE guidance relating to 'the governing board's duty to consider an exclusion'.

The governing body's duties in relation to considering exclusions are summarised in the flow chart below:

### 8.4 Supporting students at risk of exclusion

Without making excuses, the academy is aware that disruptive behaviour can be an indication of unmet needs.

When any student returns to school from a fixed term exclusion, the following steps are taken to help the student reintegrate and to support them in improving their behaviour:

- A meeting will be held between a parent, the student and a member of the Leadership Team.
- The student will report to an agreed member of staff at the end of every day for an agreed length of time.
- The student's academic progress, attendance and welfare will be reviewed by the pastoral team.
- If appropriate, a SEND assessment may be undertaken, or current SEND provision will be reviewed.

If a student is at risk of permanent exclusion, the following steps will also be taken:

- The student and parent(s) must attend a meeting with the Principal. Expectations of all parties will be agreed and the home-academy agreement will be re-signed.
- All internal and external support will be reviewed.
- Consideration will be given to a Managed Move.

## Section 9: Searching, screening and the use of reasonable force

### 9.1 Searching students

The Principal and staff authorised by the Principal have a statutory power to search students or their possessions, without consent, where they have reasonable grounds for suspecting that the student may have a prohibited item. Prohibited items are:

- knives or weapons
- alcohol
- illegal drugs
- stolen items
- tobacco and cigarette papers
- fireworks
- pornographic images
- any article that the member of staff reasonably suspects has been, or is likely to be used:
  - to commit an offence
  - to cause personal injury to, or damage to the property of, any person (including the student)

Authorised academy staff may also conduct a search with consent for any item banned by the school rules. Whilst the academy has a named list of banned items, this list is not finite or an exhaustive list. Academy staff can seize any banned or prohibited item found as a result of a search or which they consider harmful or detrimental to school discipline.

Refusing to submit to a search will be treated as a disciplinary act and will be dealt with in line with the Academy's Behaviour Policy.

There should be two members of staff present during the search. The person doing the search must be the same sex as the child. The search witness should also be the same sex wherever possible. Students must not be asked to remove clothes other than outer clothing e.g. a coat or blazer. (Outer clothing means clothing that is not worn next to the skin or immediately over a garment that is being worn as underwear but outer clothing includes hats; shoes; boots; gloves and scarves.)

### 9.2 Screening students

As part of the academy's commitment to ensuring the safety of all students and staff, it may periodically require students to undergo screening through use of a walk-through arch and/or handheld wand. This process may be coordinated and/or supported by the academy's Safer Schools

Officer and the community police. The requirement to undergo screening is not predicated upon and does not imply any suspicion of wrong-doing.

If a student refuses to be screened, the school will refuse to admit the student into the school and will seek to inform a parent immediately. In such circumstances, the school has not excluded the student and the student's absence will be treated as unauthorised. The student is expected to comply with the rules and attend.

### 9.3 The use of reasonable force

Section 93 of the Education and Inspections Act 2006 enables school staff to use such force as is reasonable in the circumstances to prevent a student from doing, or continuing to do, any of the following:

- Committing an offence (or, for a student under the age of criminal responsibility, what would be an offence for an older student)
- Causing personal injury to, or damage to the property of, any person (including the student themselves); or
- Prejudicing the maintenance of good order and discipline at the school or among any students receiving education at the school, whether during a teaching session or otherwise.

This does not advocate or allow the use of corporal punishment in any circumstances. Nor does it allow for any teacher or member of staff to use any degree of physical contact which is deliberately intended to punish a student or cause pain injury or humiliation.
